Director, Defense Intelligence Agency

Dear Lenny:

I belatedly want to thank you and your colleagues for a very informative and useful day at DIA. The briefings were instructive and interesting and brought home to me vividly just how many common challenges we all face. I want you to know that you and DIA can count on me to do all I can to be helpful.

I am grateful for the amount of time that you and your equally busy senior managers spent with me. The visit certainly was worthwhile from my perspective.

Regards,

Robert M. Gates
